

LONDON
ACADEMY

About Us..

Founded by CEO, Dr. Adnan Abu Odeh, *PMP-CISA-ACCA-IFRS-CIBAFI-CIB*, has come a long way from its beginnings in the UAE and established London Academy for Business and Law in 2022. It all started out from its mother company – Development Institute for Science Center which was established in 1987 in the emirate of Dubai offering training services for students to enhance their knowledge and skills. London Academy is a declared extended root of Development Institute with its main purpose to provide curriculum that will help young professionals, college graduates and under graduates learn new skills, achieve more on their personal and professional goals and to improve their chances on career progression.

Vision, Mission and Philosophy

Our Vision

Excellence and Achievement in a Caring Environment

Our Values

Our values are reflected in the academy Profile. We strive to be: inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced and reflective.

Our Mission

To prepare all candidates to be the most innovative and successful individuals they can be

Our Philosophy

”

To provide an authentic and rich candidate centered environment

To inspire and support all students to create, express and lead, through an inclusive approach.

To develop digitally fluent and responsible citizens through innovation, use of technologies and entrepreneurship.

To develop tolerance in students with a deep sense of personal and cultural identity rooted in international mindedness.

To promote an appreciation of social cultures

To enquire, reflect, take meaningful action and develop personal responsibility in line with the academy Philosophy.

”

Message from our Director

It is with great pride that I write this welcome note as the Director of London Academy for business and Law.

At London Academy, we firmly believe in our vision of 'Excellence and Achievement in a Caring Environment'. We set our expectations high and believe that, with our support, candidate will develop into well-rounded and internationally-minded citizens that are able to excel in an ever-changing world.

In addition to our creative and well-qualified Training team staff, we have excellent training support assistants ready to work across the Academy supporting and enhancing the candidates learning. All of these staff are dedicated to providing students with high quality learning opportunities.

London Academy is a community Academy with strong management support that helps grow and develop the Academy, and we look forward to welcoming new candidates, and their organizations, to start their Training journey at London Academy. We have outstanding, purpose-built facilities, equipped to the very highest standards, with technology seamlessly integrated in all areas of the training and throughout the Academy training Departments.

At London Academy we are not complacent about the future and are committed to promote, then raise standards and provide an effective, inspiring education for all of our students in anywhere in this world . We strive to have high expectations and are keen to equip our students to be global citizens and life-long learners. We hope that the close co-operation and partnership between academy and organizations will enhance and support your globally candidates development throughout their education. I feel very privileged and proud to lead their learning.

We very much hope you find this website useful and informative. Please feel welcome, however, to contact us if you need any further information. We are pleased to give whatever assistance we can.

I look forward to building on previous successes and working with my team to develop London Academy for business and Law as one of the best training Institutions in the UK.

Dr Adnan K. A. Odeh
